

|              |  |
|--------------|--|
| <b>DAY 1</b> |  |
| 9.00-10.15   | Revision and consolidation of pre-recorded session   |
| 10:15-11:00  | Introduction to the mechanism-based framework  |
| 11.00-11.20  | Coffee break   |
| 11.20-12.30  | Screening, assessment and diagnosis of nerve disorders in the context of a mechanism based framework (theory and group interaction) <ul style="list-style-type: none"> <li>• Loss of function</li> <li>• Neuropathic pain</li> </ul> |
| 12.30-1.30   | Lunch break  |
| 1.30-3.00    | Screening, assessment and diagnosis: continued (theory and group interaction) <ul style="list-style-type: none"> <li>• Neurodynamic assessment and its role in the assessment of patients with entrapment neuropathies</li> </ul>    |
| 3.00-3.20    | coffee break   |
| 3.20-5.00    | Screening, assessment and diagnosis: continued (theory) <ul style="list-style-type: none"> <li>• Red flag screening</li> <li>• Indications for onwards referral (e.g., MRI)</li> </ul>   |
| <b>DAY 2</b> |  |
| 9.00-10.00   | Time for questions, revision, consolidation  |
| 10.45-11.05  | Coffee break   |
| 11.05-12.30  | Management (theory) <ul style="list-style-type: none"> <li>• Efficacy of physiotherapeutic treatments for patients with entrapment neuropathies. Update on the latest evidence</li> </ul>  |
| 12.30-1.30   | Lunch break  |
| 1.30-3.00    | Management, application of the framework to clinical practice (group interaction)  |
| 3.00-3.20    | Coffee break   |
| 3.20-5.00    | Management (theory): <ul style="list-style-type: none"> <li>• Evidence for pharmacological and invasive interventions including surgery, injections</li> </ul> <p>Final questions</p>  |
